

**Staying focused  
with the right  
approach is the  
secret of our success.**

Shree Niketan's JEE/NEET Programme has empowered several students to realise their dream to join leading Engineering and Medical Institutions in the Country.

**SHREE NIKETAN**  
Indian Roots. Global Outlook

CBSE | Matric K12 Schools

[www.shreeniketanschools.org](http://www.shreeniketanschools.org)

## 2 Years programme taught by senior most faculty for assured success in both +1 & +2 CBSE/Matric along with JEE/NEET orientation.

### Effective 2-year JEE Programme for aspiring students in IITs and NITs

Shree Niketan's 2-year JEE programme is aimed at exploring the innate abilities of students and elevate them to the highest levels of academic excellence.

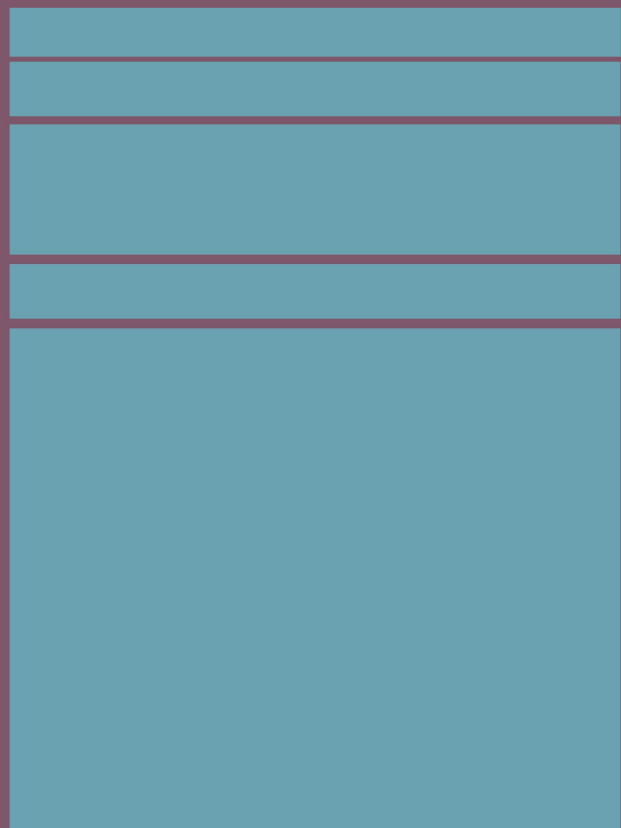

The scrupulous implementation of the course will improve students' performance and instill confidence in them to crack JEE and join their dream destinations like NITs, IITs, BITS and the likes.

### Proven 2-year NEET Programme for talented students in MBBS

To prepare and train students aspiring to practice Medicine,

Shree Niketan has introduced an effective 2-year NEET coaching programme. Experienced and well qualified professionals will be training our students to prepare them to clear NEET. Through this programme, we are sure that our students will clear the NEET exam in their very first attempt.

### A stress free approach that delivers students to stay focussed while enjoying their schooling

#### PTM's

- Parents are informed of their ward's performance through email and mobile communication
- Bimonthly meetings will be held with parents and wards

**Shree Niketan's competitive education for Sr. Sec. students is implemented by experienced and result oriented coaching faculty to achieve success in both board and competitive examinations like JEE/NEET in their very first attempt.**

**Mr. P SURYAKUMAR**  
**Faculty and Course Director**

Physics and Mathematics

- Master Teacher Trainer in Physics and Mathematics.
- Member of IAPT (Indian Association of Physics Teachers)
- Member of AMTI (Association of Mathematics Teachers of India)
- Resource Person and Reviewer of Math and Science Texts, Oxford University Press, India
- 21 years of Olympiad and JEE Teaching Experience in Physics and Mathematics
- Recent Awards and Recognitions
- Has been awarded "Distinguished Teacher Award 2019" in the field of Mathematics Education by Association of International Mathematics Education and Research (AIMER)

**DR. RAVIKUMAR**  
**Faculty and Course Director**

Chemistry

- M.Sc. in Chemistry, IIT Madras.
- M.S. in Chemical Engineering, IISc, Bangalore.
- Ph.D. in Chemistry, University of Connecticut, USA.
- 20 years of JEE Adv. Chemistry Teaching Experience.

**Mr. THIAGARAJAN**  
**Faculty**

Physics and Mathematics

- B.Tech. (EEE), NIT Warangal
- 12 Years of Experience in Teaching Students for JEE Advanced in Physics and Mathematics
- Former JEE/NEET Faculty from FIITJEE Delhi and FIITJEE Chennai
- Former JEE/NEET Faculty from Resonance Kota
- Visiting Faculty for JEE/NEET, Resonance Kota

**Mr. GOWRI SHANKAR**  
**Senior Chemistry Faculty,**

LADDER Education

- 45+ years of Experience in Teaching Chemistry at various levels for Sr. Sec, Medical and Engineering Entrance Examinations.
- Master Teacher Trainer in Chemistry guiding Teachers of various Boards at various levels from High School through Sr. Sec level.

**Mr. ARUN A**  
**Faculty**

Mathematics

- M.Sc., B.Ed. in Mathematics
- 15 years of Experience in handling CBSE and JEE Mathematics
- Member of Association of Mathematics Teachers of India

**Mrs. LAVANYA MURALI**  
**Faculty**

Biology

- M.Sc. B.Ed in Biology, University of Mumbai
- 17 years of Teaching Experience in handling AIPMT / NEET / IJSO / AIIMS Biology and IBO International Biology Olympiad.
- 12 years of Teaching Experience in handling CBSE Biology at PSBB School, KK Nagar, Chennai

## **Shree Niketan's Success-oriented Sr. Sec. Programme**

The two year SNS focused JEE / NEET Foundation Programme plays a vital role in grooming the confident students. The well defined and effective strategy based approach encompassing the various parameters make the students archiving their goals.

### **Focused competitive course**

The course structure is designed to engage students in a systematic and time-tested mode for an assumed outcome of success.

### **Experienced Faculty**

A dedicated and committed team who monitors and trains the students for the programme are known for their high success rate in IIT-JEE and NEET.

### **Individual attention**

The success of the course is the collective success of every student and they are monitored to achieve the maximum score.

### **Stress-free Learning**

The complex course is presented in a simplified way and students are encouraged to explore and experience every moment of their learning and succeed.

### **Internal/ Focused Exams**

These tests prepare the students to attempt precisely in a set time frame repeatedly to make the final attempt inevitably successful.
